Mugzy's in the mood for losing cat
He's gonna beat it downtown to where it's at
Hocks his axe for some cash and a mess of blues
When sickness drowns his fear
The line becomes unclear
Well, just one more black day
How great is his need
A flowering bad seed
Well he's dying from his thirst cut off
from all ties
Then he'll realize
He's gonna drown
In that hat full of rain
With a heart full of pain
And how can you live with a hat full of rain?
And a soul full of pain
How great is his need
A flowering bad seed
Well he's dying from his throat
Cut off from all ties
Then he'll realize
He's gonna drown
In that hat full of rain
With a heart full of pain
And how can you live with a hat full of rain?
And a soul full of pain
