(Eddie Nichols/Scott Steen/Bill Ungerman)
Arranged by Bill Ungerman and Scott Steen
Ladies and gents
Your attention please
Let's look to the flying trapeze
The great Mondello will take to the sky
Watch him go-see him fly!
Now this wonder will start with some flips
While the ladies are bitin' their lips
Now the tension is high
As it gets, ÆfÂ"Ã,Â£Ã<Â†that's right folks no
netsÃfÂçÃ... 'Ã,Â¡ÃfÂ£Ã,Â Ã,Â±ÃfÂ£Ã,Â¬Ã,Â±

This cat was flying through with
The greatest of ease
All of a sudden he missed the trapeze
Down and down, down and down
Kersplatty on the ground
Come and see where Mondello did land
The poor fellow is in the Lord's hands
Oh me oh my what a shame
Nothing left
Just a stain
Ladies and gents your attention please
The service will be held at three
Invite the trainers, the clowns and the geeks
That's all folks go home see you next week
