Everybody get on board
You can't get a Cadillac from the Lord
The poor man's limousine
Is the Watts Local

It sways from side to side
But it gets you where you're going
When you need a ride
The poor man's limousine
Is the Watts Local

Alameda, Wilmington, 103rd
Firestone is fine
Don't forget to stop at Imperial
On the old Red Line

So everybody get on board
You can't get a Cadillac from the Lord
The poor man's limousine
Is the Watts Local
