A miracle, a miracle, a miracle ooh ooh  
A miracle, a miracle, a micacle ooh ooh

I can see in your eyes once I'm closin' in  
I can feel that you're lost inside  
You don't trust nobody but yourself  
You don't even seem to try, try

Be on the reach of proof  
Be on your wildest dreams  
I'm gonna give you a key

Come and get, get everythin' you got  
You'll say a miracle, you'll get a miracle  
If you only give, give you will get a lot  
You'll say a miracle, you'll get a miracle

You will get a... a miracle, a miracle, a miracle ooh ooh  
A miracle, a miracle, a miracle ooh ooh

When you think you're all alone, love will carry you  
When you're wishin' with all your mind  
Every dream you got can be realized  
Eh, eh, everythin' is right inside

Be on the reach of proof  
be on your wildest dreams  
I'm gonna give you the key

Come and get, get everythin' you got  
You'll say a miracle, you'll get a miracle  
If you only give, give you will get a lot  
You'll say a miracle, you'll get a miracle

You will get a... a miracle, a miracle, a miracle ooh ooh  
A miracle, a miracle, a miracle ooh ooh

Your faith will plant a seed, plant a seed  
I know there are miracles, miracles  
As long as you believe, you believe  
I know there are miracles, miracles

Come and get, get everythin' you got  
You'll say a miracle, you'll get a miracle  
If you only give, give you will get a lot  
You'll say a miracle, you'll get a miracle

You will get a... a miracle, a miracle, a miracle ooh ooh  
A miracle, a miracle, a miracle ooh ooh

You will get a lot...
