Let's go, uh huh.

K-i-s-s- me..

Uh and I just wanna make..

Love, love, love ..

Ya, I love it when you say..

K-i-s-s me..

Uh and I just wanna make..

Love, love, love..

A yo.. the crib got your friends working  
We travel to france for french curtains  
You was there when I was on the bench hurtin  
Now that I own my team  
Its only right that I condone my queen  
Try to show her my dream  
And I can't let her get lost now  
She carrys the money, the hammer, and material  
across town  
And understand she fine  
Understand she mine  
She understand the grind  
Cooks, clean, and irons  
And whatever shes wanna push I'ma cosign  
And if I ain't got it already than I'ma go find it  
I guess I'ma lucky don, and shes a lucky queen  
Cuz her jewelery box look likes lucky charms  
All color stones  
And she no that I'm in the hood  
But she also nows that I'm coming home  
Mr. raspy tho I was in love with money  
Till the first time we getting nasty

K-i-s-s- me

And I just wanna make

Love, love, love

I love it when you say

K-i-s-s me

And I just wanna make

Love, love, love

Uh yo, Whatever the road to paradise is we on it  
Gave you your income tax checks so I can get on with  
Those were the days these are the times  
You held me down with nearly damn near everything  
even my rhymes  
I will play a song for you  
And you will let me know exactly how the ladies will  
respond from a womens  
point of view  
And thats why my girl is with me  
I love it when she layin in the bed with a pearl long  
vickie  
The next best thing to a soldier  
Go hard with a fat ass and a head full of rollers  
Just look in her eyes and tell she's real  
Just imagine the way she smell and the way she feel  
The sex was crazy then and crazy still  
And you know I'm from the streets so its crazy ill  
And we waiten on the new island  
We been to all them 4, 5 times come on mommy you  
whilin

K-i-s-s- me  
And I just wanna make  
Love, love, love  
I love it when you say  
K-i-s-s me  
And I just wanna make  
Love, love, love

When things was ruff only person I could call was you  
Now everything I do I do it all 4 you

Come touch me, come kiss me, come love me neway  
you wanna boy

N I'm hood as long as I'm close to you  
N we doing wut grown folks is suppose to do

Come hold me, come feel me, come take me anyway  
you wanna baby

A yo the money is great but what we got is more better  
We got the four letters when it comes from the heart its  
more pleasure  
And for the fact that you trust me still  
Thus far I appreciate what we build  
All the minks that I bought you  
That dragged the floor and all the night you sat up  
And bagged the roar  
Damn I'm thinking that you gotta hate it but yet and still

you tolerate  
It thats y ma we gotta make it

K-i-s-s- me  
Ya and I just wanna make  
Love, love, love  
Ya uh, I love it when you say  
K-i-s-s me  
Uh and I just wanna make  
Love, love, love
