

Royal Hunt "Far Away"

Visit "[Far Away](#)" on MotoLyrics.com

In the misty morning after darkest night
I feel the heat, I do, and I remember
Promises are broken now you're gone
Don't turn me down,
I'm lost and I surrender
Give me just a sign
Help to cross the line
We'll turn back time and start again
Far away - I can hear you're callin'
Far away - callin' up my name
Far away - and the tears are fallin'
Far away - no one is to blame
Some feelings won't come easy,
you have to hit them hard
You've burned the bridge and
I feel in a sea of sorrow
Can you hear my prayer,
just bring back yesterday
I feel the pain, it makes me hate tomorrow
Take me for a while
Just to make me smile
I wish I'll never ever cry again
