Give it up just let it flow
Killer's runnin' TV show
Razor blade in action - everthing is "live"
Scandal makes a paper "hot"
You may like it, you may not
Marrige, rape, divorce, somebody's butchered wife
Empire rise, they're built on lies
In the childrens eyes, I'll never
Give it up, never ever give it up
Little kid some place abroad
Shot dead by the terror squad
Only one? Just not enough to ring the bell
TV preacher'll love to tell you
Pay a dime and God's for sale
Don't get scared it's just another day in hell
Empire's turn, they're built to burn
We'll never learn - I'll never
Give it up, never ever give it up
