Run, you better run as far as you can
Why, I'm gonna die and nobody cares

Stop wastin' my time, I'm gonna fly high
You'll find out, the way to survive
Follow the light tonight

Watch your steps, it's Kingdom Dark
There is fear behind your back
Help me out or let me in
Watch me die for someone's sin, hey

Out, somebody shouts but who I can't see
Age, blesses to the rage, callin' for me, yeah

Stop wastin' my time, I'm gonna fly high
You'll find out, the way to survive
Follow the light tonight

Watch your steps, it's Kingdom Dark
There is fear behind your back
Help me out or let me in
Watch me die for someone's sin

Watch your steps, it's Kingdom Dark
There is fear behind your back
Help me out or let me in
Watch me die for someone's sin

Watch your steps, it's Kingdom Dark
There is fear behind your back
Help me out or let me in
Watch me die for someone's sin

Watch your steps, it's Kingdom Dark
There is fear behind your back
Help me out or let me in
Wont you help me out

Watch your steps, it's Kingdom Dark
There is fear behind your back
Help me out or let me in

Watch me die for someone's sin

Watch your steps, it's Kingdom Dark
There is fear behind your back
Help me out or let me in
Watch me die for someone's sin
