[November 2005 - The Off Season]

We gave this pain to the world which we can't
understand
Blood disappears like the raindrops when hitting the
sand
Eye on the Bible and hand on the gun-wandering
comes to an
end
Fight in the name of your god and his son-wait for the
final command:

Total Recall - we saw it all,we took it all protected by
the law
Total Recall -we torched another life we'll never know
Total Recall - we shot it all we burned it all and now it's
time to go
Wish for redemption and peace's never crossing our
mind
Blood on the bricks - that's all that we're leaving behind
Pictures of home disappearing in flames.Mission's
complete
In the end there's nothing to lose,we're ready to go-
wait for the final command - "Total Recall".
