Somebody told me I was dreaming  
"You can forget about changing the rules  
There is no simple way of living"  
said liars and fools

Feels like I'm movin' round  
in circles  
'Coz any turn I make won't let me  
get away  
Would you believe in happy endings  
what ever they say?

Every day, every night I'm still  
searching for my ray of light  
Day by day, night by night am I  
closer, please, somebody tell me!

Last U-turn on the way to my dream  
And I hope I can make it at last  
Last U-turn and I'm ready to win  
Learning heartache and pain  
in the past  
How many miles have I've been  
walkin'  
How many years has passed  
- it's very heavy load  
Through neverending mindless  
talking  
'Til the end of the road

They keep on calling me a dreamer  
"You can forget about changing the  
rules  
There is no honest way of living"  
They're liars and fools
