I'm gonna waste the time

You're out hunting
If I'm the prize, so roll the ball
I'm like a mad dog
Keep fighting, back against the wall
Against the wall

Come on, I'll show you
The world you never seen
Come on, I'll teach you
Good fight is when you win

Wasted time like a poison in my wine
I call it the perfect crime
Like a bullet in the back, it serves you
Time is running out, it hurts you
Going down because of wasted time

I'll keep on trying
No one allowed, I'm out too late
Too late, yeah
See losers crying
The sort of things I use to hate

Come on, I'll show you
The world you never seen
Come on, I'll teach you
Good fight is when you win

Wasted time like a poison in my wine
I call it the perfect crime
Like a bullet in the back, it serves you
Time is running out, it hurts you
Going down because of wasted
Wasted time, wasted time, time

Wasted time like a poison in my wine
I call it the perfect crime
Like a bullet in the back, it serves you
Time is running out, it hurts you
Going down because of wasted time
