(sung to the tune of Willie Nelson's "On The Road Again")

Whoopin' ass again,  
Just can't wait to whoop some ass again,  
The life I love is whoopin' asses with my friends,  
And I can't wait to whoop some ass again.  
Whoopin' ass again,  
Like a band of gypsies we whoop asses all day.  
We're the best of friends,  
Insisting that the world get whooped our way,  
And our way,  
Is whoopin' ass again.  
Just can't wait to whoop some ass again,  
The life I love is whoopin' asses with my friends,  
And I can't wait to whoop some ass again.
