("Der curse little klinehund Snoopy")

You remember that Baron flying high in the sky
Snoopy shot him down with a gleam in his eye
But that German had leaped from his blood red plane
Just before it burst into a ball of flame

Snoopy circled back to check his kill
Saw that bloody Red Baron standin' high on a hill
Then he swooped down low, shouted, "Curse you, Red
Baron!"
The German shook his fist, you could hear him swear,
"Ach, du Liebe"

Hey watch out there Snoopy, you're really in a mess
You thought you were through with that bloody Red
Baron
But it looks like he's not down yet

Then a cry went up all over the land
The bloody Red Baron would strike again
But brave little Snoopy said, "Never fear"
As he headed for his plane all the people cheered

Hey watch out little Snoopy, you're really in a mess
You thought you were through with that bloody Red
Baron
But it looks like he's not down yet

Snoopy blazed a trail straight across the sea
Searchin' in vain for his enemy
Then he found that German trying to fix his plane
A sweatin' and a cussin, 'bout to go insane

Snoopy landed for a pistol duel
The Baron was worried, Snoopy was cool
He fired a shot, missed, started to run
Before Snoopy had a chance to raise his gun

Hey watch out Red Baron, Snoopy is on your trail
One of these days he's gonna make you pay

And you'll go straight to -
Well, watch out Red Baron, Snoopy is on your trail
One of these days he's gonna make you pay
And you'll go straight to -
Well, watch out Red Baron, Snoopy is on your trail
One of these days he's gonna make you pay
And you'll go straight to well
