Gripping the wheel, his knuckles went white with
desire! The wheels
of his Mustang exploding on the highway like a slug
from a .45. True
death: 400 horsepower of maximum performance
piercing the night...
THIS IS BLACK SUNSHINE.)
Yeah! Move me in the silence baltic motorway ahng me
on the edge
before I fall away!
Apocalypse is dawnin' action on the mile.
A "can-do" revolution. Earth to the river [nile]!
Sweet'n the ride - Black Sunshine!
Sweet'n the ride - Yeah!
Sweet'n the ride - Black Sunshine!
Sweet'n the ride - Yeah!
Cry a river "cosmic." Moon in Scorpio, feel her body
"breathe." Acid
radio!
Tell me that you like it - when I'm going down! Tell me
that you like
it!
Move to the speed of [sound]
Sweet'n the ride - Black Sunshine!
Sweet'n the ride - Yeah!
Sweet'n the ride - Black Sunshine!
Sweet'n the ride - Yeah!
Go! Slide into - I said "44" cool heart can. A hypnotize
dream into
infinity!
I turned the love to lies!
Crawl across the water - wave and sink into the sea!
Reflect'n onto everything that you can never be!
"Check-out"
Yeah! To the devil a daughter comes 2000 worlds
away!
Yeah! Bron to lose the love you choose - Destroy
another day -- CHECK
OUT!!!
Sweet'n the ride - Black Sunshine!
Sweet'n the ride - Yeah!

Sweet'n the ride - Black Sunshine!
Sweet'n the ride - Yeah!
Stare into the T.V. kiss off the pain! Wonderland is
falling - no
sing - no rain!
Momentary - damage into the high drift me to the
circuit sky.
(Finally nothing moves. High noon - Blacktop rolling
below the
asphalt drive. A concrete fascination scraping the edge
of nothing!
THIS IS BLACK SUNSHINE!)
