Listen to the dream of life - a conversation  
Hustle me beneath a spark - flesh or reflection  
Faith can't hold insto-matic soul - trapped the light  
A fool for love stand'n still - deep is the night!  
[Jump in the back - a pack attack! Gimme that - dig in!  
Lethal mind -  
fugitive kind - Hustle!]  
[Jump in the back - a pack attack! Gimme that - dig in!  
Lethal mind -  
fugitive kind - Hustle!]  
Steal'n back the past ahead - that's how I'm roll'n  
Trick racer so desperate - that's how I'm livin'  
Dead heat shred the midway air - I see forever  
Drag-O-Rama kick'n in - no say never!  
[Jump in the back - a pack attack! Gimme that - dig in!  
Lethal mind -  
fugitive kind - Hustle!]  
[Jump in the back - a pack attack! Gimme that - dig in!  
Lethal mind -  
fugitive kind - Hustle!]  
Scrimshaw motherfucker bazooka 5-star cat a howl'n!  
Kitten got a whip but no escape to bait the prowl'n,  
yeah!  
[GO! GO! GO! GO! GO! GO! GO! GO! GO! GO! GO! GO! GO! GO! GO!]  
GO! GO! GO! GO!]  
If hell is like a woman, said "Take me to the fire!"  
Shot down!! Another desperate love crucifier!  
Yeah! Boiling out of nowhere - crazyhead decision  
Skintight on the action grind into collision, yeah!  
Breath'n seeped into my head - the gang is bang'n  
Pump the creature daddy-o - spring-loaded hang'n  
Everything ya always need - right for the taking  
Shoot the works the haunted hill house is a shak'n
