Yeah, when I'm in the sky - I'm too far away.
Gotta kick in to feel it.
Terminate another no one is my brother, yeah!
The sun burns on me
Well, hell is home tomb - city - stone - nail me to
another cross,
yeah!
Pour the gasoline, yeah burn the fucker clean.
Tell me who'd she coo I want her!
Like a suicide flex - hit the run and hide!
Tell me who'd she coo shine the body!
Yeah...Omega-man say, "It's all gone away, I cannot
believe it."
Well I am the one a god with a gun [well] I am Legend!!
Planet - grave - hard - kill the slave - nail me to another
cross,
yeah!
Pour the gasoline, yeah burn the fucker clean.
Tell me who'd she coo I want her!
Like a suicide flex - hit the run and hide!
Tell me who'd she coo shine the body!
[A] vampire [a] sharpshooter "O" I said, "A messenger
for the damned"
I got a holy gun - come a loaded to kill everything that I
am.
Well I am the only [god?] one they can - find.
Pour the gasoline, yeah burn the fucker clean.
Tell me who'd she coo I want her!
Like a suicide flex - hit the run and hide!
Tell me who'd she coo shine the body!
