Leatherneck'n down the street like "Hey I'm joyrid'n"  
Like a bad dog  
- come on "Burn in!"  
Leatherneck'n down the street like "Hey I'm joyrid'n"  
Like a bad dog  
- come on "Burn in!"  
Demon got my soul and I said "Drive!" Come on -  
speed kills - but I'm  
alive yeah!  
In my Durango 95 Yeah!  
Casino on the edge she move like a twister gravity  
crank - solo my  
sista!  
Come on. She said "Take me away!" Away! Away!  
Shout!!  
I'm deadly on the eyes an astro-spyder, baby!  
A powertripp'n - NO - NO - NO - Maybe? Come on!  
Angel trumpets again yeah!  
Motherfucker scream "horrorshow" time a diamond  
ass right on my line!  
Come on. She said "Take me away!" Away! Away!  
Yeah!!  
Bruning like fat in the fire the smell of red, red groove  
screamed  
mega-flow  
A stalking ground without prey. A flash of superstition  
whimpering  
like a crippled animal.  
Dogs of the Soul-Crusher! Pulling closer like the blue  
steel jaws of  
hell.  
Digg'n in my heart I find a human generator. Duke of  
N.Y. See Yeah!  
Eliminator all you need is love.  
Yeah! Like a cool and crazy freak machine she  
twanged off and out  
like I never seen.  
I gonna take her, take her down, down, down watch  
out!  
Shack'n out in my skin - flesh 'n' waves they begin!  
I going out like a holiday [Shout It!]

Then my mind generate a weepy young "D" to  
terminate.  
Takin' a trip - I said, "Straight to hell" [Shout It!]  
Real country dark the street, hog the road - swamp  
beat.  
She gonna know just what I mean - yeah!  
Trip back on the serpent move Z-man slowly bang the  
groove.  
Takin' a trip - "A real kick" to hell [Shout It!]  
Think'n that when she die - spirit go up to the sky!  
Devil come a stepp'n brainiac a look'n below - yeah!  
[Shout It!]
