half of these niggas out here they waitin' on a bag, and
the others just broke
it's hard not to stand out when we the only ones

of women

if you don't do it for you do it for yer kids
do it for the fact that they think that since you black and
young and got a temper that you'll probly be back
to them you just a number my nigga
you way too smart for this shit, and we ain't gettin' no

[Royce-3rd verse]

Dear Murray, (huh) what's goin' on cousin?

I could visit you wearin' a shirt that say "free you" on
the front

boopty-woop blahzy-splee" you know how they talk
niggaz be braggin' about chu'
