Uh, Uh

[Bridge]

You, you, you
nothin' about your
flow, flow, flow
And make my mouth go
down, down, down
Or my eyebrow go
you suck, suck!
up, up

Nigga don't look at me like I knocked the party

[Verse 1]

Cause I want you to leave my time like Doc and Marti
Titch, nigga get the fuck up, outta my era
You are not a part of my era
You (You, you, you)
you are making me sick
You can take two plus two, and make it extreme
Only blocks that you saw are the ones with the letters
that teach you to spell
Rubix cubes and crews that chasin' a dream
So
Navy, weak as hell

(You, you, you)

[Chorus]

Basic rapper, I hate you
Nigga rhymes done changed (You, you, you)
Go back, to the dates you came from (You, you, you)
Styles done advanced
RUN DMC is a classic (You, you, you)
Nigga get back, in your time machine
Basic rappers, I hate you
(You, you, you)
Go back, to the dates you came from (You, you, you)
Nigga rhymes done changed (You, you, you)
Styles done advanced
RUN DMC is a classic (You, you, you)

Nigga get back, in your time machine

[Verse 2]

on that green paper with the thick lines
I think you niggaz be writin' your rhymes
Niggaz use in kindergarten
Dudes like me, I'm holy like Synagogues
I'm, Godly pick the pen apart like I'm a god
To what you add up to like the back of a flash card
For you rap hard, but I know the answer
If you take heave to the make believe
Then you a
Niggaz rappin' like they be sayin' they ABC's then you
whack

[Chorus]

[Bridge]

You, you, you
nothin' about your
flow, flow, flow
And make my mouth go
down, down, down
Or my eyebrow go
up, up
you suck, suck!

[Verse 3]

The highlight, of my life, is my writin'
When I hear a nigga in here, griffin' because
The type for five mics that strike like lightnin'
He finished a year, you think that he spittin, nigga no
That ain't how it goes
You gotta think of how many niggaz originated this shit
You think that how many niggaz is rich today in this
bitch
How many of 'em broke?
You can say that many niggaz is dope?

[Chorus]

[Bridge]
