(feat. Slaughterhouse)

[Joe Budden]

New York, Jersey, Philly; New York, Jersey, Philly  
New York, Jersey, Philly - you know I keep it filthy  
Out in New York, Jersey, Philly; New York, Jersey, Philly  
New York, Jersey, Philly - check it

Rockin spikes and a beater, beside me a diva  
I'm hearin all the talk of how you ride with a heater  
Make sure I don't survive but when I see ya  
You (Sleep With a Broke Heart), like you went and took  
advice from Alicia

Tell me if you really wanna take it there  
Best in the world if you ain't remained aware  
Latest gear, love nope, hate it yeah  
You and your scared style'll get aired out, start stop  
and stare now

Change the truck's grille, yeah the car got veneers now  
Lot of rappers spittin shit, I don't wan' hear now  
They talkin Gucci but they shoppin at Sears now  
If you weren't prepared now, you ain't get the warnin  
yet

So I'ma go hard early, call it mornin sex  
New York, Jersey, Philly; New York, Jersey, Philly  
New York, Jersey, Philly; tinted up, rims silly  
If a nigga try and kill me, chalk it up as the brother  
whylin

Your mind playin tricks on you, get off Shutter Island  
Showin you somethin you never would see, I'm gettin  
checks every week

You tryin to meet your executive needs, I'm in  
executive suites consecutively  
Somebody had to body ya, guess the job was left to me  
So when I kill the track they can't charge me with  
double jeopardy

They asked you if I'm a boss and you say "No sir"  
How you don't concur? My gopher got a chauffeur  
Standin on the couch in the club with a nympho  
Reppin Slaughterhouse, see the blood on the window  
I try and get wealthy, bein broke gettin healthy

So I ain't tryin to buy whatever shit they try and sell me  
Got a broad up in the telly I could trust her what you tell  
me  
Still bringin (Lunatics) with me, yeah I learned that trick  
from Nelly  
Cause I know that it get urgent, when they see you just  
splurgin  
Strip club, in the private room tryin to fix the curtains  
Wanna cause a big excursion, run up on the kid squirtin  
Make sure the mac ain't broke and you ain't buy the  
Knicks version

Out in New York, Jersey, Philly; New York, Jersey, Philly

[Joell Ortiz]

Nissan, Honda, Chevy - my stash is never empty baby  
Nissan, Honda, Chevy; Nissan, Honda, Chevy  
Nissan, Honda, Chevy - th-the D's will never get me

In my hoopty I be swervin, the public's who I'm servin  
Boost phone forever chirpin, I'll be out there puttin work  
in  
Know them dirty boys lurkin, if they nab me then it's  
curtains  
So when I'll go see a person I spend the blocks so I'm  
certain  
that it's cool, I'm no fool, see Raul is more than reckless  
So I meet him when it's busy at that Meek or Morgan  
exit  
Off that BQ, B-B-B-B-B-B-BQE near Mickey-D's  
And occasionally treat myself to a nice little fish and  
cheese  
I'm really really in the street, bein broke's my enemy  
Teachers said I'm dumb but I dropped out and I know  
chemistry  
I make that soft get hard  
And meet my homie Pito in the parkin lot of Home  
Depot off Northen Boulevard  
I got my route down packed, I'm about my stacks  
And my mouth don't chat, I let my bout-bout clap  
But I ain't with that though, I'm tryin to get that dough  
(yaowa)  
Beamer, Benz or Bentley? Oh no, I stay low

In that Nissan, Honda, Chevy; Nissan, Honda, Chevy

[Royce Da 5'9"]

Pistol clip and pistol - that's all I rap about  
It's my pistol clip and pistol, pistol clip and pistol  
Pistol clip and pistol - that's all I rap about bitch

My dick is like a missile, my pistol's in my pants  
But my dick is hangin lower than my pistol clip and  
pistol bitch  
Now we talkin 'bout my dick, you know yo' shit big  
when your bitch give you head and her mouth is only  
'round the top of it  
Now let's talk about my pistol clip  
If the gun is playin music than the pistol clip's the  
instrument  
The soldier holdin onto the fo'-fo's composin  
The drummer's BRRRRRRRRRRRR, 7-6-2's explodin  
I'm about to stop talkin 'bout my dick, pistol and my  
pistol clip  
Dick, pistol, pistol clip, bitch, I'm a hypocrit  
If you say, fuck the world that mean that I'm literally  
tryin to put my big, big dick in it  
My, pistol clip, pistol whistlin [whistling to the beat]  
... I hope you listenin  
Pistol clip, pistol big dick, now your bitch is interested  
I'm 'bout to enter it and injure it  
I am not indirect, I am so motherfuckin BLUNT  
Pistol clip, pistol dick, BITCH!  
I'm sayin - you like, "Oh my God, get that gun out of my  
face"  
It's not in yo' face, it's in my hand

Pistol clip and pistol

[Crooked I]

Tequila, vodka, Henny - that liquor fuckin with me  
It's tequila, vodka, Henny; tequila, vodka, Henny

pilly's  
Now we loco, loony, silly; fuck they mouth, box and titty  
{"Umm, she is licking the shaft of the penis."}  
That's brains, breast and kitty, while I'm drunk, fried  
and tipsy

While I'm twisted high and dizzy, pussy juicy hot and pretty  
Gushy, gooey, sticky, gushy, gooey, sticky  
Bitch I'm Eazy, 'Pac and Biggie off tequila, vodka,  
Henny  
Spit like Wayne, 'Ye and Drizzy mixed with M.J. and 50  
In my Nissan, Honda, Chevy, my pistol clip and pistol

Rappers got a bigger buzz, bitch I got a bigger dick  
That was my Royce line  
I'm on my Cali, Brooklyn, Jersey and Detroit time  
(Slaughterhouse) Them boys grind  
We goin past the top, so Mount Everest won't cut it  
You low budget, we 'bout to go public
