[Intro: Royce]

Yeah, what's up girl?

This my love song

Maybe you should or maybe you just shouldn't

Cause baby I wanna take you so far awayyyyyyy, ayy

I'm just playin, I don't really wanna take yo' ass

nowhere

Let's do the real song, C'MON!

[Chorus: Royce Da 5'9"]

Maybe you should or maybe you just shouldn't

Cause baby this gun'll take you so far awayyyyyyy, ayy

(He'll walk right up and murder youuuu)

Maybe you should or maybe you shouldn't

Cause me and my goons'll take you so far

awayyyyyyyyyyy

Ayy

[Royce Da 5'9"]

It's definitely a burner

It's on cause that beef be the recipe to murder

Whoever's in my session's an accessory to murder

My words put niggaz to bed, my records be the Serta

Ay, the raw grind is comin up like wall climbers

Big shit poppin, them pricks is small timers

And y'all must've FORGOT

Like Juelz Santana perform at Hip Hop Honors with the

Alzheimer's

I hear you woofin, c'mon, come to the dog diner

We all eat dogs, we roar, we bark buyers

You can't walk by us and talk fly or we'll hogtie ya

Nickel done fucked around and caught fire

I carry the torch and split a nigga up, up

Somebody gon' die, die like a scary divorce

Of course my goons is astoundin

Nigga I use the Auto-Tune because I'm clownin!

[Chorus]

[Royce Da 5'9"]

Nigga you don't want a problem

I'm photogenic, my image belong on a dollar

Authentic, my tennis shoes should have "I'm killin you"
written on the side of
The willingness to go in, like whatever's inside of a
diver
Get in his ass like a sodomizer
Fix him by any means like the plot of "MacGyver"
Nickel runnin for shit, you need to vote for him
They unloadin his flow off of the boat for him
Pardon me Miss Sniffle Nose, the coke charm
I spit shit crazy, with the toast arms
My kicks is crazy, like in "Zohan"
I'm the nucleus of this like a proton
Gat supplier - red nose
Carving yo' staff or shire, rap for hire
Niggaz is corny by nature - on top of that
Niggaz arms is shorter than my nigga Vinnie from
Naughty By Nature

[Chorus]
