I'm flowing away without leaving the ground ground  
They're asking me what's it like up fair  
I tell e mi ain't coming down  
I try to stay up and I don't wanna touch down down  
They're asking me what's it like up fair  
I tell em I ain't coming down  
No no I ain't coming down, no no I ain't coming down  
No no I ain't coming down, I ain't coming down.

Not in my visions more clearer this is for the haters in  
detroit era  
I know you had a good time but that was your time  
But that was your era, now look at you and look at me  
and compare us  
You can do it easily the same... is looking stupid on that  
b dvd  
Shut up my nigga is... dizzy I'll admit when I was wrong  
I remember fake and I should probably get my nigga...  
You're talking shit about me if you... shtu me I guess I'll  
be politic  
Involved  
Nigga is need to stop... I hope your barb is... the same  
hairline is me and  
Dmx  
I wait from wishin drink is gone... wishin I could pick my  
home  
And as far my nigga trick before we was brothers  
I think we really just need to get to know each other.

Chorus:

I'm flowing away without leaving the ground ground  
They're asking me what's it like up fair  
I tell e mi ain't coming down  
I try to stay up and I don't wanna touch down down  
They're asking me what's it like up fair  
I tell em I ain't coming down  
No no I ain't coming down, no no I ain't coming down  
No no I ain't coming down, I ain't coming down.

I gotta say the shit one time one if you ever know... get  
one ground

'Cause even when that dot cloud have it above me I  
went from sun and unsung  
And I found my own sunshine  
Now let me say the shit one more time  
One if you ever know to get me away of your grind  
Can you find one hip hop listener around the globe who  
never...  
These cats say he's wet he ain't even from the d so I  
ain't got that d tap  
Then their friends runnin me like my friends all you...  
'cause you ain't  
Have no...  
Make up your mind you winda niggas... school to talk  
Bought shoes for shawty's... the kids while you niggas  
choose to floss  
And I wonder now who's the... y'all niggas...

[Chorus:]
