Yeah, yeah

Well it's the uhh, uhh, abbrevia-ated letter

Associated with meta-metapho-phores and cheddar
cheddar

The C.O.D., the P.O.P.

The "cash on delivery" at the "point of purchase" -
don't I be workin'?

Heaven and hell is standin next to you at the same time

Cuttin into your playin time, keep playin (playin)

Most of my predictions is speculation based on the
patience

I've developed hustlin, racin this check I'm chasin
(chasin)

Sellin mixtapes to them albums from 30 to 50 thousand
(wow)

It ain't no problem, I got it, my following got me (got
me)

Long as I continue to spit poems to send you

niggaz back to the L-A-B; I'ma be sellin out venues

Be out at them venues, sellin that merch'

Shippin CD's overseas nigga we sellin that WORK

The Escrow crew - just ran by

the petro man select don't know who the check go to

[Chorus: Royce]

Round here here.. round here, round here

Round here they call me independie

Cause of how independent my pen be

Movin on that paper, movin that paper

Uhh, uhh, round here, here, here

Round here they call me independie

Cause of how independent my pen be, uhh

We be on that paper like ink on that paper, uhh

You can call it the quickest winter, the unstoppable
summer

The opposite of the apocalypse comin to popular

Wanna be poppin this gun he about to be doin some
old

impossible Three-6 Mafia numbers, each quarter

like the Beach Boys or the Beatles, the Parliament
globally
callin the shots explodin 'til 'Pac, roll all the way over
Respectfully hate me, you best to behave
I'm seven dollars a record makin heftier pay
Can you realize platinum artist buck by buck, is that
what you say?
200 thousand sold compared to the average platinum
rapper
couldn't afford, what I blow, on all my taxes
Cause I own, my own masters - own, my own catalogue
Ain't tryna be old talkin 'bout "Oh, I had it all"
So it's mo', money mo', albums - add 'em all
The scanner that seal is the reason
I feel like a man of steel still standin cause I'm still
scannin

[Chorus]

[Outro: Royce]

Y'know I always like to say that, this album is like a
median
between "Death is Certain," and "Rock City"
But along that way, I manage to find my independence
So that's where we at right now
Royce Da 5'9", "Independent's Day"
Whattup Broady, you know'm talkin 'bout Broady?
Niggaz act like I ain't know they ass as I want to
These units will move, I will be on that TV screen
I will be ridin through a hood near you
Gettin some attention from yo' bitch, hahaha
M.I.C., oh yeah and we comin back again this year too
We not gon' be sittin out for long periods of time no
more
So be on the look out for "July 5th"
Comin soon to a motherfuckin store near you
Round here, here, here..

"Let me see, two words to sum up my name in reality
Growth and patience, y'know they work hand-in-hand
with each other
but at the same time they both deal with movin forward
I just try to keep some bits about myself 24 hours a day
Y'knowmsayin? I been through a lot
And if it's one thing I can say that I learned, it'll be stay
bossy
I'm a boss, boss, boss.."
