[Hush] (Royce)
What? (Knuckle up)
Yeah.. (Whatchu say?)
Hush (Uhh uhh, Royce Nickel-Nine)
Yeah, we represent Detroit Rock City
(And we'll FUCK you up!) Yo, yo, yo!
[Hush]
You're fuckin with a straight-up menace
That'll run inside your apartment complex and start
sprayin tenants
I stick bastards for a wealthy scheme
Punch through your chest and snatchin out your self-
esteem
Stabbin your spleen, precise like a javelin team
Grabbin the green, quicker than a crack and a fiend
Quick draw, faster than it takes you to blink
I spit thoughts, faster than it takes you to think
You catchin a sink, drownin in whatever you drink
I'm huntin you down, bustin at your leather or mink
I'm meltin your ice, I'm heated in your average rink
Lockin it down, and rockin like I'm trapped in the clink
Slappin a freak, trappin every rat or a fink
Fast with the ink, blast you out your hat or your link
Shatter your teeth, every time you chatter or breathe
Unravel your cream, Detroit it's ether that or the bing
Hush, I get madder and mean
Matter of fact, all of y'all get splattered in three pieces
Just your body and arms in shirts sleeveless
Beggin for Jesus, before your heart collapses and
seizes
Who needs this, crush the fine line
I'll be on the phone callin my boys and 5'9"
Detroit city cats that are born with nine lives
And I use that are yours, you better shoot me nine
times!
[Chorus 2X: Hush] (Royce)
Knuckle up! If you see us cop a plea and duck
Knuckle up! (When you see us in the streets in a truck)
Knuckle up! If you see us droppin B's in a buck
Knuckle up! (When you see us in the D, nigga what!)
