Whooooooooooooooooooooooooooooo  
Kiiiiiiiiiiiiiiiiiiiiiiiiiiiiid!  
[Will Lyman speaks:]  
His charm is so contagious  
Vaccines have been created for it  
Years ago... he built a city out of blocks  
Today... over six-hundred-thousand people live and  
work there  
He is the only man to ever ace... a Rorschach test  
Every time he goes for a swim... dolphins appear  
Alien abductors have asked him... to probe them!  
[Vincent Price laughs]  
If he were to give you directions... you'd never get lost!  
And you'd arrive at least 5 minutes early  
His legend precedes him!  
The way lightning precedes thunder  
He is... The Most Interesting Man In The World. [kids  
ovation]  
B-E-3  
GO!  
For the leader of the rat pack  
He's equipped with gats  
And more artillery than what I had before  
All I really need is one  
You are about to get into the mind of a psycho  
Looking out of the window with a rifle  
Other hand on the bible  
Take another motherfuckin' nigga lookin' trifle  
If he got a trigger then he prolly [probably] gonna pull  
it  
Eeny meeny miney mo bullets!  
I hear Proof do number 2  
Hex Murda this one's for you  
You too guru - wake up! - this one's for you  
(AHHH!) [Wilhelm scream]  
Hit a nigga with the Jay-Z hold up - huhldup [hold up]!  
Take a drink for my niggas  
(Aha) [Vincent Prince laugh]  
That's right Ima bring it from the Soul nigga  
Only competition's to chronic gun  
Going simmalimma tillamimma simmalimma  
tillamimma

It's supersonic! (uh!)  
It takes one to know one a killer  
One less thing you know  
Piss on your chinchilla  
Fuck you and your tight pants. (AHHH!). 'nt dance [can't  
dance]  
Gonna plead the fifth  
Standing in front of a hung jury  
And a bitch ain't that  
Drink til' I talk to the bottle  
Royce Da 5 all spent out  
With the 9 at the end - follows!  
Welcome to the Bar Exam 3  
We got Eli Porter on the guitar (on the guitar)  
Bring it from the soul  
We got Tay Zonday on the keys  
Bring it from the soul  
Layla play something on the keys -- Eli play something  
on the keys  
We gonna bring it from the soul  
Whooooooooo Kid! [DJ Whoo Kid]
