[Chorus: Sample]

Looking out my window from my mind's blown hotel  
room

I remember that cold, cold rainy night

Looking out my window

[Royce Da 5'9"]

Feeling all alone on the run

I'm still holding onto my gun

Body on it from the previous evening

I found out I'm wanted

Nigga's snitching is what the media screaming

I turn the channel on the TV, the first 48 on

Man, it ain't a loyal nigga on this TV nowhere

I cut the power off, disgusted

I'm contemplating taking a shower to take all the  
gunpowder off

But what if they bust in, busting

The nigga at the front desk act like he don't recognize  
me but shit

There's a reward for me, that nigga there hustling

I can't trust him I got to keep my eye on that window

Thinking about my kin folk, wife and babies

I can't talk to them, life is crazy

Whoever thought it would come to this over rap  
nonsense

Rap from the comfort of being attacked by my  
conscience

[Chorus]

[Royce Da 5'9"]

I think I'm a write a letter to my children

In case I don't make it

I'm up against time but I won't face it

I'm thinking about my life what it is now

And how one slug can change what it once was

I'm accepting the fact that I did that

I just want my wife back, I just want my kids back

I just want my niggas that don't snitch back

Cuz real niggas know real niggas ain't with that

But what's the use of me being real, I'm fucked now

I'm seeing sirens out the window thinking what now  
Damn, am I to do?  
Cuz now that shit hit the fan I suddenly ran out of crew  
But fuck it, I'm in the shit, I'm a end the shit  
No way for me to benefit though I'm innocent  
I hear a knock on the door like let's finish this

[Police storm room]

[Royce Da 5'9" talking]

This life is about honor, respect but more importantly  
this life is about choices  
You make them and whether they turn out to be good  
ones  
or bad ones you live with them. You die with them

Let's go back to how it all started
