Only this moment (Holds us together)
Close to perfection (Nothing is out there)
No one to guide us (Lost in the senses)
Deep down inside I know our love will die
[OK]

Only this moment (Holds us together)
Lost in confusion (Feelings are out there)
Scared of devotion (Doubting intentions)
Deep down inside I know our love will die

Stay or forever go
Play or you'll never know
What heaven decided
You can't deny it's all you've been waiting for

Stay or forever go
Play or you'll never know
Your spirit's divided
You will decide if I'm all you've been waiting for

Guilt in my head
Hath been parted by grace
By the voice of an angel
Revealing her face
And her words they make sense and I do understand
Falling in love isn't part of our plan
Forces within me, mix reason with lust
But I try to accept it and not make it worse
Because I know I might lose you by taking the chance
But love without pain isn't really romance

Only this moment (Holds us together)
Close to perfection (Nothing is out there)
Always beside us (Trusting my senses)
Deep down inside (I know love will survive)

Only this moment (Holds us together)
Close to perfection (Nothing else out there)
Always beside us (Trusting my senses)
Deep down inside (I know love will survive)
