[Intro: Royce - whispering]

You took a part of me with you  
You took a part of me with you  
Uhh, you took a part of me with you  
Ahh, ahh

[Chorus: Royce Da 5'9"]

Last night we had a one night stand  
But when I woke up in the mornin I missed you  
You see, all I'm sayin is can I see you again?  
Cause when you left you took a part of me with you  
A part of me with you

[Royce Da 5'9"]

It's like it's a, urban legend, his mistake  
Her confession; how 'bout it for a first impression  
How 'bout it, with the Birkin lookin perfectly measured  
Lookin certain as ever like she got her purpose  
together or whatever  
Him, he was like a typical thug  
Hat and glasses, he had to bag the baddest bitch at  
the club  
He had a, way with his words, a certain - how should I  
put it?  
"Je ne sais quoi" is how the French bitches would  
mention him  
Never known for lovin them all, havin them drivin his  
cars  
Havin them in the mall on his budget ballin  
Him tryin to call her is the part of the issue  
He said that when she left she took a part of him with  
her  
He ain't a stranger to the one night stand  
If you lovin them you's a sucker - that's the one night  
sayin  
But why give him the wrong number and fuck him later  
on girls?  
That's all I'm sayin; let me tell you how they meant  
He approached her with the usual swagger  
"How you doin?" Blahzay-blee-blah-blah-blah, the usual  
blabber  
Now that the, ice is broken it's time to get linked

He asked her if he could buy her a drink - she nodded to him and said  
"I don't really drink but thank you for the offer (aight)  
Let me buy you one and we can finish talkin (let's do that then)  
How 'bout some Patron, and have him fill the cup up (Aiiyo bartender, can you fill that up?)  
And when you finish up we can get into somethin" (where we goin?)  
He like it's, easy as pie, you see it in his eyes  
He tryin to turn her out tonight and leave her where she lies  
Tell his friend he hung her out to dry  
Another bitch taps him on the shoulder and he turns around surprised  
She said, "How you doin? I think I know you from somewhere (I don't think so)  
Yes I do, don't you drive that Mercedes out there? (yeah that's me)  
You was drivin by me one day I was walkin (word?)  
You pulled over to me and we started talkin" (oh okay)  
While they talkin Shorty 1 grabbed somethin out her Birkin  
Tossed it in his drink and watched it sink to the surface  
Shorty number 2 kept talkin like she was tryin to stall him  
Long enough for that thing to dissolve in  
1 gives a signal, 2 says "Who's this?"  
He's like, "Sorry I'm rude" then introduces  
1 to 2 - they start hittin it off  
just like he wants them to, it's wonderful  
He thinkin, she's a skeezer, she's just easy  
They both probably bi, so they should lead to a threesome  
They both probably high cause neither one of 'em drinkin  
They both keep gigglin so you know what he thinkin  
He swallows his Patron shot, sets the cup on top the bar, like we gon' fuckin party, don't stop  
1 cues 2 then, says "Where yo' ride at?"  
He says "Hey, I let valet decide that"  
They laughed, they leave, he says "Mami drive that I'm tired or I'm high, I just wanna lie back"  
They get to the hotel, they get on the elevator  
He ain't feelin so well like "Fuck it, I'll get better later"  
They get in the room and start takin off they clothes  
Dude steppin out his shoes while he checkin out the hoes  
He's sick so he sits, 1 says "Lay down"  
2 says, "I'll take off his clothes, okay now?"  
He loses consciousness, he dreams of number 2 ridin

him  
Slidin up and down with no condom  
Number 1 suckin on his dick usin both hands  
Both hoes dressed like nurses, I guess they role playin  
He comes to as the rooms circle and comes to a stop  
He not certain or not is he still dreamin (where the fuck  
am I?)  
He feels numb so he looks down and sees  
that he's layin in a tub, full of ice from his knees  
to his waist, in a bathroom with grief on his face  
He feelin like he too weak to move so he waits  
He feel around and notices a piece of paper stickin to  
the tub  
from his bitches and it's written in his blood (WHAT THE  
FUCK IS THIS?)  
He panics, he screams, oh God, what's happenin?  
More readin, less prayin, no time for rationin  
The letter reads "Never ask for shit  
Cause you can get more than you ask for, we have yo'  
DICK!" (AHHHHH!)  
The letter reads "Never ask for shit  
Cause you can get more than you ask for, we have yo'  
dick!"

(Bitches! [sobbing])  
You took a part of me with you (my DICK!)

[Chorus]
