[Intro: Royce]

Hit you until you, hit you until you
I'ma hit you until you, hit you until you
I'ma hit you until you, hit you until you
Hit you until you, hit you until you
I'ma hit you until you STOP, hit you until you GO!
Hit you until you DROP, hit you until you ROLL!
I'ma hit you until you BLEED, hit you until you LEAVE!
Hit you until you.. yeah, yeah

I put in my dirt I'ma hurt you

[Verse One: Royce Da 5'9"]

You must be ruthless, or you will die hidin
Bullets is +Eeny Meeny Miny Moe+; don't put your foot
in my circle
I'm not a hater nigga
beside a bunch of chicken niggaz that +Duck Duck
Goose+
You punks got a 50/50 chance of livin, you playin +Rock
Paper Scissors+
I got twin glocks from Scotland, I'd rather +Double
Dutch+ witcha
Why the FUCK would I knuckle up witcha?
He played them street games 'til the heat came
Same nigga that be changin quick when they see
brains
We ride in streets with Mafia ties
We pop up by surprise like we playin +Hide-And-Go-
Seek+
And I'm about to draw the line nigga, talk to your
soldiers
Cross me, you try to knock a stick off of my shoulder
I'm the nigga +Simon Says+
Nigga I will heat you, 5'9" will have you lyin beside your
bed

[Chorus: Royce]

I'ma hit you until you STOP, hit you until you GO!
Hit you until you DROP, hit you until you ROLL!
I'ma hit you until you BLEED, hit you until you LEAVE!
Hit you until you, hit you until you
I'ma hit you until you STOP, hit you until you GO!

Hit you until you DROP, hit you until you ROLL!
Hit you until you BLEED, hit you until you LEAVE!
Hit you until you.

[Verse Two: Royce Da 5'9"]

Yeah yeah, I see pain but why
is it these street games is all leadin into the same
violences?
God is it, possible the same niggaz
that's winnin in +Dodgeball+ will grow up and dodge
bullets?
The funky little, two squares
in this concrete jungle was shootin the +Monkeys In
The Middle+
If you compare me to anyone in this game
if it ain't Shyne or Beans then it's +Truth Or Dare+
I been this hollow inside for years
Leave peers beside beers that'll +Spin The Bottle+
Don't think that e'ry night seem right
Nigga just look beside you, I'm at every +Red Light,
Green Light+
Ready to stop you, fatal-ly
I'll leave bullets inside your truck the size of +Hot
Potatoes+
A comparison's vital - you ain't nobody

Royce 5'9" is Simon, the +Americal Idol+
[Chorus]

Yeah, yeah, now he's had the luck as

[Verse Three: Royce Da 5'9"]

At the pick of the day the hot shot, let's play +Hop
Scotch+
Let's teach all of these punks
the same dumb fuck that took toes to the morgue for
+Freeze Tag+
Miss the clock is tickin away
that we as venomous as snakes, you can be them
+Leap Frogs+ and jump
I'ma make 'em all drop and say "Ahh"
I'm the king of the playground, I make 'em say +Father
May I+
You should say Grace - cause even if you
bring your own pencil to the game nigga we don't play
+Breaks+
Now you gon' find your fitted
Finally the dudes be lame
in the Lost & Found cause you crossed your bound
nigga +Hide+ and go get it
His name booted out of the games, hang by the dooky
chains

then flee the scene while runnin in the latest Ponies
Erase the phonies - keep his team shooter

[Chorus] - repeat 2X
