Stretch Stretch.. (Whassup sup?)

I'm tryin to figure out a way to start this rhyme off
(Mmm)

You ain't got no ideas? (Nah)

Aight, I'll start it like this (Aight)

Check it, yo

{*P. Diddy's "Bad Boy for Life" beat plays*}

FUCK, you! (haha) I'm all nuts, no glory

You're walkin now but nigga what's the story?

You better, duck when I go BOOM, cause suckers bore
me

and yeah, I probably hate Tommy Boy as much as Nore
do

Who the best? Eminem, Jigga or Nas?

Cause when it comes lottery time, that spot'll be mines

You takin the throne is under the bridge

And yeah, you might be Ready to Die but none of you
Big

So, you've been dared to listen

'til the fiercest rhythm'll spit air condition glitter and
wrist cool

FUCK doom, I don't age

Cut "Boom" up loud and see a mushroom cloud on
stage {*explosion*}

Do the math, four knuckles'll give you six months

and, you niggaz is so pussy you make my dick jump
(haha)

I don't wish to be king, I'll pass the throne

Whatever shines too bright shines half as long

I don't kiss hoes, I only put my lips on a cup

Pee-wee niggaz, go somewhere and piss on your nuts
(haha)

God gave me this life, and if he decides to envy and
give me

I'm takin the flow of the century with me

Oh, so if you feel insane, and want a war

Reality check, you not ready, your soldiers is still in
trainin

A bunch of hundreds that'll read the menu
We run tabs with receipts sayin "To be continued.."
And bully niggaz this is your day
Meet me at the flagpole so you can hit me in my fists
with your face
And snitch niggaz is common as E-Bay wear
Uhh, give the cops more Alerts than DJ Red
I got the blood of a dead soldi
