[Royce Da 5'9" - Intro to Verse 1ne] One, two.. One, two... This one's for you.. Yeah I love him more than I love me, trust me Love at first sight, is there a such thing? There must be This is how it goes huh? My lil' man growin up Faster than I'm blowin up, don't wanna hit the road now Can't even tell him no now Every line from here on in is for him, put somethin on the flo' now Rapping ain't accept me 'til the night I met Slim He was born the same night, tell me that he ain't special My grandmama died the same night Same hospital that he was conceived in, God has His reasons You can probably imagine mournin a death and rejoicin a life at the same time - but you prol'ly haven't! Fate has a way that it turns Had a death, in the family, had a baby, couldn't turn, that away He knows that his daddy sellin (sellin), records When he grew, old enough to understand me You KNOW I had to tell him [Chorus: sample from Anita Baker's "You're the Best Thing Yet"] (Royce) You're the best thing yet (This is for you!) to ever come in to my liiiiii-iiiiife, oooh... You're the best thing yet to ever come in to my liiiiii-iiiiife, oooh... You're the.. [Verse 2wo] For him, I could get so selfish It's strange how love can make you contradict yo'self How could I tell him not to steal and, I would steal for him Tell him killin is wrong and I would kill for him I told him I would never take myself away from him I would fight for him, at the same time, I'd do life for him Jump in front of a slug for him, this is unconditional love and I wouldn't wish none of the above on him (above on him) ..I best be, on my best behavior Mistakes made by me don't only affect me Affects him too, check what I been through They say your money's only as long as your next pencil When you livin the rap life And you givin your fans, verbally what you would get for a crack pipe This is the main reason I write Royce Daniel, the single most important thing in my life [Chorus]
