GO!

International rap
For the leader of the rat pack
Who's back for more
Back back back
He's equipped with gats
And more artillery than what I had before
Take explosives
Slow act to ask
Leave shit stains
On the game
After I pass womb
But I gotta sit
In this shit hole
Gotta get it
All I really need is one
(gunshot)
Na-naa na-NA!

You are about to get into the mind of a psycho
Malcolm
Looking out of the window with a rifle
Other hand on the bible
Got a nigga face up
Take another motherfuckin' nigga lookin' trifle
If he got a trigger then he prolly [probably] gonna pull
it
Til' he runs out
Prolly won't sweat
Cuz' he got
Eeny meeny miney mo bullets!

I hear Proof do number 2
Hex Murda this one's for you
You too guru - wake up! - this one's for you

20 beefs to shit
Gonna plead the fifth
Standing in front of a hung jury
One worry
And a bitch ain't that

Patron patron
