[Royce Da 5'9"]

I'm runnin up on you, whether you packin or not  
Whether I'm packin or not, wit the intent to flatten your  
knot

Shinin like ten diamonds, I been rhymin  
I write shit the pen guides it, spittin harder then ten  
hydrants

Firin on who tryna take mine, this nigga here  
Send you around, let it spin you around on the ground  
waist high

I'm too authentic, I'll end it soon as you walk in it  
Who wanna holla, you get swallowed in a New York  
minute

And if ya record is Gold, then stay on ya goals  
If ya Platinum listenin to me, stay on ya toes  
Yo they done it now, I'm over the edge, these niggas  
wanna stay underground

(Why) that's why the money's over thier heads  
In doubt I be rowdy, I'm possibly the hottest since the  
Rakim odessey

Got niggas saying "How does he do it"  
Ayo I gotta be, cause ain't a nigga hotter than me  
Go head lie to me, say you know somebody, and I  
demolish him

Dead up, I got rhymes to make you shut up  
Havin you doubtin yourself, as to why you even have  
your head up

I shit on, ever contender I pick on  
Cause whenever it's on, I'm comin wit different levels  
to flip on

Dope - whether you like it or not  
Give off somke in a cypherin spot, cause I'm liquid  
nitrogen hot

You ain't did nothing I ain't done, if you ever said  
something dope

I ain't said yet, it's proly on the tip of my tongue  
I've had it wit y'all, tryna bring static and brawl  
Either I'ma kill you, or you ain't make me made at all  
Phony-fuck cliques could suck dick, you know only  
Royce 5'9"

Spit only rough shit, when it comes to the Tony Touch

shit

It's over consider this laced, I'll probably be the first

nigga

To get a hip-hop quotable on a mixtape
