(c)1992 Kopka River Music

Now there was a little boy

Who dreamed of playing outside

He was so different

Made fun of all his life

And he dreamed

He'd sit all alone

Face to the window

And stare outside

He knew how the others saw him

It made him want to hide

He had to cry

He held it inside

Cause he didn't want to be heard

He fell to his bed

Waiting and waiting for someone to come

But no one ever did

People were so blind
They didn't realize
This boy he was different
Cause of the fire in his eyes
And he dreamed
And then he close his eyes
Drift into his mind
And he fly away
No one understood him here
He didn't need to stay
Magic of the grind
Through his mind
It didn't really matter where
He lay in his bed
Dreaming and dreaming and dreaming
That he could stay there
But no one ever did
And he dreamed
And he dreamed
And then he close his eyes
Drift into his mind
And he fly away
No one understood him here
He didn't need to stay
Magic of the grind

Through his mind

It didn't really matter where

He lay in his bed

Dreaming and dreaming and dreaming

That he could stay there

But no one ever did

And he dreamed
