Well, I'll give you love that's
Above and beyond the call of love
And I'll never ever make you cry

Yes, I'll give you love that's
Above and beyond the call of love
And love's something that money can't buy

A poor boy's chances for pretty girl's glances
Are sometimes very few
But I've got no money, if you'll be my honey
Here's what I'll offer you, well, I'll give you love

Well, we met by chance and I knew at a glance
That I'd found my destiny
Now I want to carry you off and marry you
If you will agree, well, I'll give you love
