You're telling everybody that it's over that our love  
affair was just a waste of time  
Who think I thought I walk in fields of clover  
When your sweet love was never really mine  
I'm passing through the gate where the sun will never  
shine  
Too much I know too late how could I be so blind  
I try to forget you but I don't have that much time  
I know I can't get over you before I lose my mind  
[ piano ]  
How could I even hope to keep a mem'ry when at  
anytime the past will disappear  
When that time comes if I could just remember  
One moment of desire when you were here  
I'm passing through the gate...
