(John D. Loudermilk)

Baby, oh baby, tell the man at the ticket stand  
That you've changed your mind  
Let me run on out and tell the cab to keep his meter  
flyin'  
'Cause if you say goodbye to me, babe, you're gonna  
break my mind.

Break my mind, break my mind  
No, I just can't stand to hear them big jet engines whine  
Break my mind break my mind oh Lord  
If you leave you're gonna leave a babblin' fool behind.

Baby, sweet, sweet baby, let me take  
Your suitcase off the scales in time  
Tell the man that you've suddenly developed a thing  
about flyin'  
'Cause if you say goodbye to me, babe, you're gonna  
break my mind.

Break my mind, break my mind  
No, I just can't stand to hear them big jet engines whine  
Break my mind break my mind oh Lord  
If you leave you're gonna leave a babblin' fool behind.

Break my mind, break my mind  
No, I just can't stand to hear them big jet engines whine  
Break my mind break my mind oh Lord  
If you leave you're gonna leave a babblin' fool behind...
