(Webb Pierce)

There are so many flirty guys with flirty, flirty ways
And I'm so afraid they'll try to steal your love from me
some day
Don't let 'em darling, your love belong to me
Oh, please don't ever let them think your love is fancy
free
Don't do it darlin', your heart belong to me.

They'll tell you that I trifle and that you should do the
same
They'll tell you that they need your love so why not
make the change
Don't do it darlin', your love belongs to me
Oh, please don't let them blind you, I still love you can't
you see
Don't do it darlin', your heart belongs to me.

--- Instrumental ---

They'll offer you a mansion ask you if you'll be their
queen
Oh, they'll try to give you riches, make you life a happy
dream
Don't you let them darlin', that dream belongs to me
Oh, sure they'll try to buy your love with riches such as
these
Don't do it darlin', that heart belongs to me...
