You make my eyes run over all the time
You're happy when I'm out of my mind
You won't love me but you won't let me be
Don't you ever get tired of hurtin' me?

You must think I look bad with a smile
For you haven't let me have on in such a long long
while
Still I keep coming back, how can this be?
Don't you ever get tired of hurtin' me?

You must think I look bad with a smile
For you haven't let me have on in such a long long
while
Still I keep coming back, how can this be?
Don't you ever get tired of hurtin' me?
