Visit "[Heart Over Mind](#)" on MotoLyrics.com

I love you so much that I can't leave you even though
my mind tells me I should

But then you make me think that you still love me

And all my thoughts of leaving do no good

You've got me heart over mind worried all the time

Knowing you will always be the same

You keep hurting me I know but I still can't let you go

For my heart won't let my love for you change

[steel]

Friends tell me they see you out with others and in my
heart I try hard to forget

But then you come home and say you love me

I still hope there's some chance for us yet

You've got me heart over mind...
