(Hank Mills)

I thought I could but I can't go on lovin' you  
It hurts too much knowin' you stopped lovin' me  
Don't ask me who's to blame or why I know it's true  
I only know I can't go on lovin' you.

Slowly but surely your love became a mem'ry  
And heaven knows I can't live on memories  
Don't ask me where I'm goin' or just what I'll do  
I only know I can't go on lovin' you.

Slowly but surely your love became a mem'ry  
And heaven knows I can't live on memories  
Don't ask me where I'm goin' or just what I'll do  
I only know I can't go on lovin' you.

I only know I can't go on lovin' you...
