(Marvin Rainwater - Faron Young)

(Yes, I miss you already and you not even gone.)

The time has come you're tellin' me goodbye  
I know that I can't stop you if I try  
I've had too many chances now I'll have to set you free  
I watch you go, too late I know how much you mean to  
me.

Yes, I miss you already  
Don't know how I'll go on  
I miss you already  
And you not even gone.

So kiss me once again and please don't cry  
I promise there'll be no more alibis  
I'll have to find myself a way to face this loneliness  
I watch you go too late I know I've lost my happiness.

Yes, I miss you already  
Don't know how I'll go on  
I miss you already  
And you not even gone...
