I went out of my way to make you happy to love you
when your other love went wrong
I went out of my way when you were lonely now I'm out
of my mind since you've gone
I ask the fool on the stool next to me what do you do
with so much misery
Just one look in his eyes and I could see he was out of
his mind just like me

I went out of my way to be near you but one too many
nights we were alone
I went out of my way to try and please you now I'm out
of my mind since you've gone
I ask the fool on the stool...
