Sweetheart I'll make amends  
I'll make amends for cheating you I'll make it up for  
being so untrue  
For the times I caused you pain for the times I brought  
you shame  
Sweetheart I'll make amends  
I'll make amends for the wongs I've done I'll prove to  
you that you're the only one  
For my sins for my lies for the times I've made you cry  
Sweetheart I'll make amends  
[ strings ]  
Sweetheart I'll make amends  
I'll make amends it's not too late I lost your love I  
played around with faith  
Now I found the way at last let's forget about the past  
Sweetheart I'll make amends sweetheart I'll make  
amends
