You have gone and yet I'm still your prisoner
Though you're with your new love I'm not free
For you have placed a lock around my heart dear
And you are the keeper of the key.

Love locked inside like mine burns constantly
So darlin' please come back to me
We'll lock our hearts together for a lifetime
And God will be the keeper of the key.

We'll lock our hearts together for a lifetime
And God will be the keeper of the key...
