I bless the day I found you I want to stay around you
and so I beg you let it be me
Don't take this heaven from one if you must cling to
someone
Now and forever let it be me
Each time we meet love I find complete love
(Without your sweet sweet love what would life be)
So never leave me lonely tell me you love me only and
that you'll always let it be me
[steel]
So never leave me lonely tell me you love me only and
that you'll always let it be me
And that you'll always let it be me
