Look into my teardrops and darling, you will see  
The reflection of an angel that made a fool of me  
Look into my teardrops and you will see the eyes  
That promised me so many things but all of them were  
lies

Look into my teardrops in the mirror of my soul  
And you will see the girl who stilled my only world, but I  
couldn't hold  
Look into my teardrops and you will see the one  
That broke my heart forever, aren't you proud of what  
you've done?

Look into my teardrops in the mirror of my soul  
And you will see the girl who stilled my only world, but I  
couldn't hold  
Look into my teardrops and you will see the one  
That broke my heart forever, aren't you proud of what  
you've done?
