Make the world go away and get it off my shoulders  
Say the things you used to say and make the world go  
away

Do you remember when you loved me before the world  
took me astray?  
If you do, then forgive me and make the world go away

Make the world go away and get it off my shoulders  
Say the things you used to say and make the world go  
away

I'm sorry if I hurt you, I'll make it up day by day  
Just say you love me like you used to and make the  
world go away

Make the world go away and get it off my shoulders  
Say the things you used to say and make the world go  
away  
Say and make the world go away
