(Jimmy Kennedy - Alex Alstone)

My arms are a house I want you to live there
Come into my house for you have the key
My heart is the door that's waiting wide open
To welcome the love who shares it with me.

Well furnished with kisses and plans that come true
(Just think of the nursery in pink or in blue)
We'll make it secure with love and devotion
My arms are a house for no one but you.

Well furnished with kisses and plans that come true
(Just think of the nursery in pink or in blue)
We'll make it secure with love and devotion
My arms are a house for no one but you...
