One by one, we've broke each vow we made
(It was you who lied, it was me who paid)
As sure as there's a heaven beyond the sun
We'll pay for our lies one by one

My plans and hopes have tumbled down
My castle of dreams, plunged to the ground
(How can you face me after what you've done)
(You've shattered my dreams one by one)

One by one, we've broke each vow we made
(It was you who lied, it was me who paid)
As sure as there's a heaven beyond the sun
We'll pay for our lies one by one

How can you go to sleep at night, don't know
Memories make you long for daylight
(You'll pay the price after having your fun)
(You'll regret each mistake one by one)

One by one, we've broke each vow we made
(It was you who lied, it was me who paid)
As sure as there's a heaven beyond the sun
We'll pay for our lies one by one
